**SAUGEEN SUMMER NIGHTS MUSIC FESTIVAL ANNOUNCES THE NEWSBOYS, THE AFTERS AND TO TELL TO PERFORM ON SUNDAY JUNE 24, 2012.**

**December 1, 2011** – After a fabulous third year behind us, Saugeen Summer Nights is proudly announcing the inaugural Christian line-up with the **Newsboys, The Afters, To Tell** and more to come! With stellar performers through-out the entire weekend, the fourth year of Saugeen Summer Nights will be one to remember at the **Harriston-Minto Fairgrounds**. The pre sale has begun for this diverse genre festival that features rock performers on Friday, a full day of Country music and ending the weekend with Christian Rock bands on the Sunday afternoon. This year is also the introduction of the 3 Day Weekend Pass!

The **Newsboys** are best known for their amazing live show; after nearly 22 years of heavy touring, it has made the band's live show an amazing entertainment experience that changes lives. With the introduction of dc Talk vocalist Michael Tait as front man for Newsboys, it began a fresh start to welcome the release of *Born Again*, which debuted No. 4 on the Billboard 200 and sold over 45,000 copies in its first week. This release added to the band's already long list of achievements that included 25 No. 1 pop hits, six million records sold and the help to gain Christian music mainstream acceptance. **Newsboys.com**

**The Afters**, despite the tragedy and turmoil leading up to the recording of *Light Up the Sky (INO)*, will agree that the recording process ranked top of their recording experience thus far, resulting in the most accessible album of the band's career. Making sure to hold on to their faith and their passion for making music was very important, with one of the band's favourite tracks on the album being "Say It Now." The 10 new songs on *Light Up the Sky* are spoken from the heart and stem from hardship, perspective and a reprioritized set of values. For The Afters, the renewal they've experienced transcends more than just their music. They've come full circle, and they are enjoying the process more than ever before. **TheAfters.com**

Based out of London, ON, **To Tell** is a piano-driven pop/rock fire ball blasting life through speakers and radio waves everywhere. The musical adventure of Zach Havens, he is an energetic solo performer who is backed by his band of equal dynamism. Over the past two years, Zach has been across Canada and the United States with coast-to-coast radio play, and a non-stop touring schedule. Since releasing his debut full-length album *So Much More*, To Tell has achieved countless #1 radio hits (More Radio CHR chart/CT-20), and the opportunity to share the stage with artists such as Aaron Gillespie, Superchick, Sanctus Real, Group 1 Crew and Leeland to name a few. **totell.ca**
